- 1 May not be an exact equal due to operating characteristics or mechanical dimensions. Consult the Advance Atlas or visit www.advancetransformer.com for details.
- 2 Robertson ballast is Rapid Start; Advance offering is Instant Start
- 3 Robertson ballast is <10% THD; Advance offering is <20% THD
- 4 Robertson ballast is single voltage; Advance offering is 120-277V IntelliVolt

* Not an exact equal due to operating characteristics or mechanical dimensions. Consult the Advance Atlas or visit www.advancetransformer.com for details.

NOTE: Advance does not warrant or guarantee the accuracy of this cross reference. It is provided for the convenience of the user. Consult the current on-line catalog to determine if the ballast selected meets your requirements.
